MAX-STREAM™

AC2600 MU-MIMO
SMART WI-FI ROUTER

AC1900+ MU-MIMO
WI-FI RANGE EXTENDER

IDEAL FOR AUGUST SMART HOME SYSTEM PRODUCTS

Linksys Next Gen AC Wi-Fi & August Smart Home Systems

When it comes to smart home systems, reliability is key—and it all begins with a dependable Wi-Fi signal. That's why August recommends the Linksys family of MAX-STREAM™ MU-MIMO routers and range extenders to ensure you never have to worry about a bad connection getting in the way of your security.

Small - Medium 1 Level Home 6-10 Devices

AC1900 or AC2600 MAX-STREAM Router

The AC1900 Router offers Next-Gen AC Wi-Fi with breakthrough MU-MIMO technology for all your streaming, gaming and August Home System needs on up to 10 different devices. Looking for an extra boost? The AC2600 Router delivers even faster processing and performance to meet more demanding bandwidth needs.

*August customers' special promotional pricing valid with use of an exclusive coupon code issued by an August Customer Service Representative. Coupon Codes are one-time use and issued one per customer. Coupon Codes will work only with the purchase of a Linksys EA7500 router, EA8500 router, EA7500/RE7000 router/range extender bundle and EA8500/RE7000 router/range extender bundle. Only while supplies last and only on purchases made at the Official Linksys Store (www.linksys.com/us) and placed thru Friday, September 30, 2016 11:59 pm PST. Savings are calculated from regular price and not MSRP. Offer not valid in retail stores, other online stores, or phone orders. Promotion is valid for end-users only, and not valid for Resellers. Offer cannot be applied to previous purchases and cannot be redeemed for cash or other items, or used in combination with any other offers. See Linksys warranty information for details (<https://www.linksys.com/us/support/returns/>). An active, customer-purchased Internet Service Provider broadband account is required for connection of this router and other devices to the Internet. Belkin, Linksys, and many product names and logos are trademarks of the Belkin group of companies. Any third-party trademarks mentioned are the property of their respective owners.
